Terms & Conditions

I would like to become a member of the Six Farms CSA at Silverbrook Farm. I understand that becoming a member of the CSA means sharing the bounty of the harvest as well as the risk. Weather conditions may result in changes to both the start and the end date of the CSA. No refunds will be made after May 30th. Memberships are fully transferable to anyone at anytime. You may send anyone to pick up your share. Full payment required at this time if paying by check.

Pickup Day Rules

Please carefully read the pick up terms listed below. They are for everyones safety and comfort. Parking is on the grassy strip by Chase Road. You may walk into the farm by either entrance. If you have a handicapped sticker, or infants you may (slowly!) drive in and park by the barn. If you drive into the property without infant children or a handicapped sticker, you will be asked to park by Chase road before picking up your share. This is for everyones safety! Please do not park in either driveway. There are tractors and trucks as well as owner and employee vehicles coming and going as we farm at several sites. Motorists now and then speed along Chase Road. For your safety, keep this in mind as your family visits the farm. If you have small children and are concerned about the traffic on Chase Road we recommend that you slowly drive onto the property and park in the area closest to the windmill. Parents must supervise their children! Produce and plantings are easily damaged but not easily replaced. No rock throwing or pets. Baby chicks are fun to hold, but we ask that they be held gently and respectfully. They can be injured or killed if dropped from standing height. The CSA manager has food available to be fed to the chickens. Please do not come early or late! To provide optimum freshness we set up as close to the pick-up time as possible and we are busy, so early arrivals are unwelcome. We are ending a 12 hour work day as we pack up the CSA at 7 PM so latecomers are also unwelcome. On the rare occasion that you know you will be late call 508-991-0382 before 5:45 and we will bag your share and put it by the barn door. Mark your calendars! If you miss the pick up day, please do not ask to collect your share on another day. You may send anyone to pick up your share. They just need to give your name. NO PETS!!! To shrink our carbon footprint we encourage you to bring your own bags to collect your share. Any extra bags that you have to share would be helpful. Empty egg cartons are also appreciated. Tractors and other farm vehicles are driving around the farm. They will be watching for you, keep an eye out for them as well! You may ask to exchange an item that you already have in excess, or that your family does not enjoy, for one that they would. If we have sufficient quantities to make the exchange we certainly will. (At the CSA manager's discretion.) If you would like to visit the farm on a day other than the pick-up day we will try accommodate you. Give us a call or send an e-mail and we will attempt to arrange a time for you to visit.

We look forward to seeing you at the farm! Andy and Jeff
